Putoline ProBike Chainguard Bio

Description

ProBike Chainguard Bio is a universal, technologically advanced lubricant. Its unique composition makes it biodegradable. ProBike Chainguard Bio reduces friction, is moisture and dirt-repellent, ensures minimal wear and prevents corrosion.

Application

ProBike Chainguard Bio is suitable for derailleur systems, chains, shifters, cables and other moving parts. Thoroughly clean any parts to be lubricated first with ProBike Optimum Shine. Then apply ProBike Chainguard Bio and remove any surplus product with a lint-free cloth. Regular re-application prevents excessive wear.

Features a convenient twist-and-dose cap for clean, easily-doseable work. Turn the cap a quarter turn and squeeze a drop from the bottle.
