Kroon-Oil Torsynth MSP 5W-40

Description

Torsynth MSP 5W-40 is a synthetic Mid-SAPS motor oil that has been specially developed for modern cars and vans with a particulate filter and/or new generation 3-way catalytic converter. This product's performance level is entirely in line with the officially approved product. Because the necessary field testing has not been conducted for Torsynth MSP 5W-40 we can only say that the product meets the requirements of the specified performance levels.

Application

Torsynth MSP 5W-40 is a Mid-SAPS motor oil, suitable for modern petrol, LPG and diesel engines that are no longer covered by a manufacturer's warranty. This product is also suitable for extended oil change intervals. Due to its low SAPS content this oil is also suitable for vehicles with a particulate filter and/or latest generation 3-way catalytic converter. As a result of its special formulation this product is ideal for use in cars requiring one of the following specifications.

Specifications

Suitable for use:

ACEA C3

API SN

BMW Longlife-04

MB 229.51

VW 505.01

Typicals

Density at 15 °C, kg/l	0,852
Viscosity -30 °C, mPa.s	5730
Viscosity 40 °C, mm ² /s	86,00
Viscosity 100 °C, mm ² /s	14,10
Viscosity Index	170
Flash Point COC, °C	228
Pour Point, °C	-36
Total Base Number, mgKOH/g	7,8
Sulphate Ash, %	0,77
Molybdenum, mg/kg	58
Silicon, mg/kg	5

Available packagings
