### MX 5

#### Description

MX5 is a synthetic, high-grade 2-stroke Off Road oil. The product is recommended for use in MotoCross and Enduro engines and has been tested extensively on circuits all over the world. Thanks to its synthetic composition and state-of-the-art additive system, MX5 provides optimum protection to all critical engine components. It also prevents the formation of harmful carbon deposits on pistons, cylinders and power-valve systems, while providing a durable lubricating film in all conditions.

#### Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

#### Specifications

API TC

JASO FD

#### Typicals

Density at 15 °C, kg/l	0,866
Viscosity 40 °C, mm <sup>2</sup> /s	38,70
Viscosity 100 °C, mm <sup>2</sup> /s	7,10
Viscosity Index	147
Flash Point COC, °C	122
Pour Point, °C	-45
Total Base Number, mgKOH/g	1,4

#### Available packagings

70272  
1 L bottle

70274  
4 L can

74615  
15 L Bag in  
Box

74271  
20 L Bag in  
Box

The data mentioned in this product information sheet is meant to enable the reader to orientate himself about the properties and possible applications of our products. Although this overview is composed with all possible care on the stated date, the compiler does not accept any liability for damages caused by incompleteness and/or inaccuracies in this information, especially when these are caused by obvious typing errors. The terms of delivery of the supplier apply to all product supplies. The reader is advised, especially for critical applications, to make the final product choice in consultation with the supplier.
