Ester Tech Off Road 4+ 10W-60

Description

Ester Tech Off Road 4+ 10W-60 is a fully synthetic 4-stroke competition engine oil. The addition of the revolutionary Ester Tech additive system guarantees full compatibility with modern clutch friction materials. Ester Tech Off Road 4+ 10W-60 has been exclusively developed for Off Road motorcycles. It guarantees a longer engine service life, even under severe race conditions.

Application

Putoline Oil is a high-quality supplier of a wide range of lubricants and maintenance products. We only supply products for motorised two-wheelers and that makes us unique! Our years of experience, combined with continuous research results in the best price/quality ratio. Manufacturing our own products guarantees a consistently high quality. Putoline Oil, Driven by Technology!

Please refer to the advisory database for use of the correct product.

Specifications
