# Kroon-Oil SP Matic 2094

### Description

SP Matic 2094 is a premium, very low-viscosity Long Life ATF, specially formulated for the latest generation of automatic 7G-Tronic Plus transmissions from Mercedes-Benz. Specially selected, high-quality base oils, combined with the latest additives, provide the SP Matic 2094 with the following properties:

- Outstanding fuel-saving
- Extremely high resistance to oxidation
- Excellent and very stable friction characteristics for extended oil change intervals
- Outstanding lubrication properties
- Excellent protection against corrosion and foaming
- Excellent low-temperature properties
- Fully compatible with seal agents used by Mercedes

### Application

SP Matic 2094 is a premium synthetic ATF, specially formulated for the latest generation of automatic 7G-Tronic Plus transmissions from Mercedes-Benz. Compared to the first generation 7G-Tronic transmissions, even greater emphasis is placed on fuel saving in 7G-Tronic Plus transmissions. SP Matic 2094 contributes considerably to the realisation of this fuel saving. The product can be used where the MB 236.15 specification is required.

#### Specifications

MB 236.15

### Typicals

| Density at 15 °C, kg/l     | 0,840 |
|----------------------------|-------|
| Viscosity 40 °C, mm²/s     | 18,80 |
| Viscosity 100 °C, mm²/s    | 4,40  |
| Viscosity Index            | 150   |
| Flash Point COC, °C        | 188   |
| Pour Point, °C             | -57   |
| Total Base Number, mgKOH/g | 4,0   |
